## GENERAL DATA PROTECTION REGULATION

Members are able to opt in or opt out of the contact list viewable in the members' only area of the official club website. Only members who have ticked the 'opt in' box below will be listed. You will be agreeing to share your email with other members. In practice this means that a list of the members' names and their cars together with a town location and email address, **but not address or telephone number**, will be posted in the members' only area of the official club website. Members will only be able to gain your contact details by applying to the membership secretary. Only if you have given permission for your details to be passed onto other members, by ticking the 'opt in' box below, will the membership secretary pass on your details. You are required not to communicate members contact details gained via the membership secretary unless given express written permission from that member. Please refer any request for contact details to the membership secretary.

If you do not opt in by ticking the box your details will not be published in any form, be it in the club magazine, flyer or website. You may however require your details to be included in the magazine whilst writing an article or selling a car. That is entirely up to you.

All members' details will be available to the committee for club business only. Committee members will still need to contact the membership secretary in the same way as ordinary members as described above for your details to be used in a personal capacity.

Please tick this box  if you agree to share your contact details in the manner described above.

Or please tick this box:  if you do **not** wish any of your details to be available to other members:

The Club will, from time to time, send email distributions to members advising them of forthcoming meetings and other items of news. Please tick this box  if you do **not** wish to receive these emailings.

Annual subscription is £25.00 single membership, £25 within the EU, £35.00 outside Europe and £18 subscription for pdf magazines only. Joint membership is an additional £5 for all categories.

NOTE: Joint membership, only 2 persons may be represented per household and only 1 magazine will be sent to the address held on the Club file. Please make cheque payable to: 'MATRA ENTHUSIASTS CLUB UK' and send to Tim Simpson
